Mr. Towle:

This is to respond to your letter dated March 25, 1988 concerning our industrial waste as it pertains to Keystone Sanitation Landfill in Adams County, Pa. Addressing your six (6) specific questions on page 2 of your letter, our answers follow :

1. Hanover Wire Cloth, founded in 1903, is a Division of CCX, Inc. with Corporate offices in Bridgewater, New Jersey. Our Company has operated at its present location E. Middle Street, Hanover, Pa. since its inception.
2. Founded July 24, 1903
3. Please see attached information pertaining to our operation.
4. Again, refer to attached information
5. Hanover Wire has three industrial waste streams.
(1) Effluent from our settling pond which is discharged to Hanover's POTW. (2) Settled solids which are transported to a lined and permitted solid waste disposal facility. (3) Spent paint solids (F003-F005) which is manifested and transported to a permitted hazardous waste facility.

We have no record or knowledge of ever using Keystone Sanitation for disposing of any of these three streams.

Enclosed please find a Baseline Monitoring Report for Hanover Wire, pertinent parts of our Module 1, a copy of the Federal Register that published our exclusion, and a copy of Pennsylvania DER'S Determination of Nonapplicability Order. Please find within all the information that you are requesting.

6. Please see attached pertinent information

The above should answer your inquiry, and if there are any further questions, please let us know.

Very truly yours,

HANOVER WIRE CLOTH
